The plans for an **Emergency Access Road** your company submitted for **10000 E. University Dr, Prescott Valley** have been reviewed and **Approved**.

**All approved construction permits require an inspection(s).** In order to schedule and inspection please call CAFMA Administration a minimum of 24 hours in advance at (928) 772-7711, Monday through Thursday 0800-1600 hours. You are required to have one paper copy of the approved set of plans onsite for all inspections.

*[A] 107.2.2 Approval Required*

*Work shall not be done beyond the point indicated in each successive inspection without first obtaining approval of the fire code official. The fire code official, on notification, shall make the requested inspections and shall either indicate the portion of the construction that is satisfactory as completed, or notify the permit holder or his/her agent wherein the same fails to comply with this code. Any portions that do not comply shall be corrected, and such portion shall not be covered or concealed until authorized by the fire code official.*

If you have any questions, please feel free to contact me.  
Thank you,
