### SUMMARY/BACKGROUND:

Liquor licensees must generally ensure that no spirituous liquor is served to a customer seated outside the licensed premises (as defined in ARS §4-101(31)). However, licensees may request either a Temporary or Permanent Extension of Premises to allow serving customers in outside areas. To do so, licensees must first seek approval from the local governing body, then submit an application for an Extension of Premise/Patio Permit to the Arizona Department of Liquor License and Control (ADLL&C).

Taylor Mortensen, Agent, has filed an application for a Permanent Extension of Premise on behalf of FEB Freedom Station LLC, dba Freedom Station located at 2992 N Park Avenue #A, Prescott Valley, AZ 86314. FEB Freedom Station LLC currently holds a Series 12 Liquor License and wishes to increase the serving area to include the fenced-in mini golf course and patio area.

It is proposed that the Town Council consider whether to vote to recommend approval by ADLL&C of this application for a Permanent Extension of Premises by FEB Freedom Station LLC.
