

Adult Services

Highlights from 2024

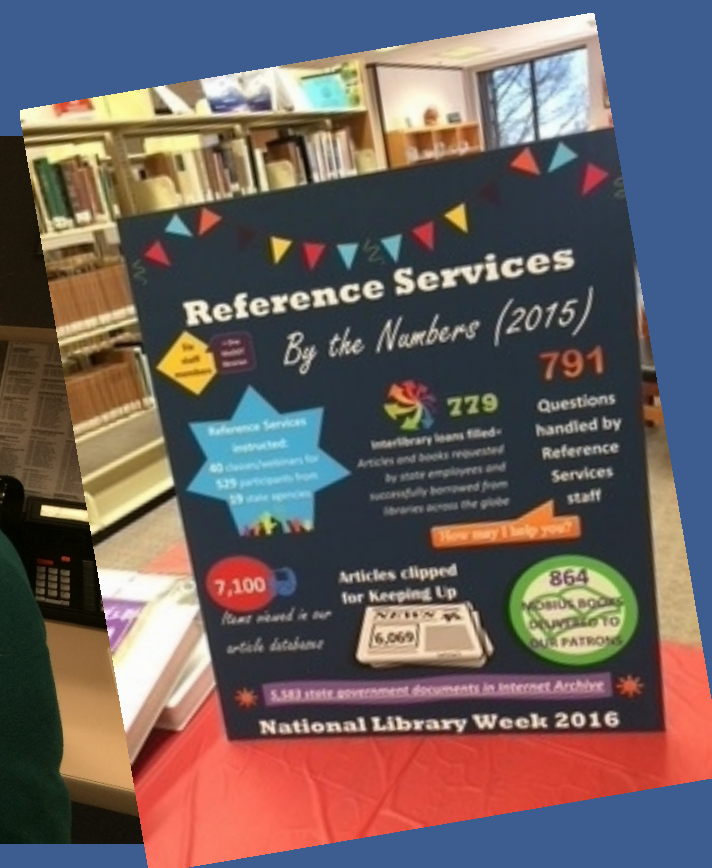

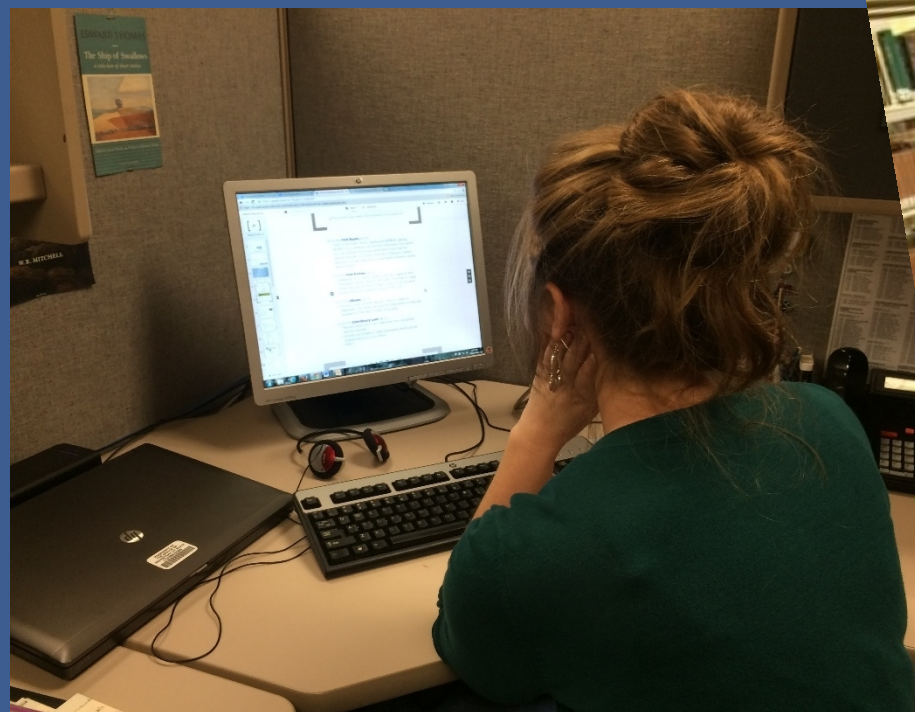

A little bit about the new librarian...

I started at PVPL in January 2024.

Worked for Douglas County Libraries in Colorado as an Adult Services Librarian and Adult Services Supervisor.

Previously worked for the Reference Services section of the Missouri State Library as the Outreach, Training and Marketing Reference Librarian.

Douglas County Libraries elevates our community by inspiring a love of reading, discovery and connection. It's a place where purpose and profession align and you're empowered to make a positive difference.
