**SUMMARY BACKGROUND:** The Town of Prescott Valley (Town) is a founding member and fiscal agent of the Upper Verde River Watershed Protection Coalition (Coalition). Created in June 2006, the Coalition's objectives include protecting the base flow of the Upper Verde River to the maximum extent possible and reaching Safe Yield in the Prescott Active Management Area.

The Coalition wishes to leverage its budget, derived through membership dues by applying for grants to fund Coalition projects. The Coalition would like to apply for the U.S. Bureau of Reclamation Drought Resiliency Project Grant for up to \$300,000.

As fiscal agent for the Coalition, the Town would be responsible for administering the grants. Therefore, the Town Council must give its approval before the Coalition can pursue these grants.

---

**PREVIOUS ACTIONS:** On several occasions the Town Council has previously approved the Coalition moving forward on grant applications. The Intergovernmental Agreement with Yavapai County, the City of Prescott, the Town of Chino Valley and the Town of Dewey-Humboldt to create the Upper Verde River Watershed Protection Coalition was approved on June 8, 2006. And, on February 22, 2007, the Council approved membership contributions for the Coalition of \$55,000 per year.

---

**OPTION ANALYSIS:** The Council may vote to:

- 1.) approve this proposal, **OR**
- 2.) not approve this proposal, **AND/OR**
- 3.) direct staff to pursue other options.

---

**ACTION OPTION:** Approve the Coalition's proposal to pursue the listed grants. **VOTE.**
